

STORA-SUPER100 + DI ZIGZAG GRATE F900 H185 100CM

Description

Thanks to their high-quality finish, high strength and excellent chemical resistance, and further enhanced by the integrated nodular cast iron edge profile, STORA SUPER drainage channels are ideally suited for drainage in areas subject to heavy and intensive traffic loads.

STORA SUPER channels with internal widths of 100, 150, 200 and 300 are available in three different heights, allowing installation in a stepped fall configuration.

Characteristics

Characteristic	Value	Characteristic	Value
Article code	12812	Height (mm)	185
Commercial Code	SF100F185100	Length (mm)	1000
