

RAINSAVER 1000L ANTHRACITE

Description

The Rainsaver, an anthracite 1,000-litre rainwater tank, is the ideal solution for collecting and storing rainwater, offering a free and natural alternative for watering your garden or washing your car. This rainwater tank is made from high-quality polyethylene using rotational moulding and guarantees exceptional resistance to adverse weather conditions, frost and UV radiation, backed by a solid 5-year warranty.

Advantages

- High manufacturing quality
- Weather-, frost- and UV-resistant
- Tap with Gardena connector included
- Compact dimensions
- Lightweight
- Easy access
